Good Day Friends of the Feather

We are excited to introduce our very first quarterly newsletter and share some of the work we are currently busy with. On the back of a difficult 2020, The Community Chest of the Eastern Cape has witnessed the harsh reality of a virus which has gripped the world with fear and devastation. COVID 19 destroyed the conventional family life, jobs were lost, families faced starvation and the lockdown brought about so much depression. In the face of all these challenges Community Chest of the Eastern Cape continued with its mandate to assist the most vulnerable with much needed support.

We hit the ground running in 2021 when we received our first donation for the year. We handed out more than three pallet loads of yoghurt to our beneficiaries.

We continued supporting our soup kitchens with the daily supply of food from Woolworths. They were able to cook wholesome meals for the community.

Our Thuthuzela (Sanitary Pad) Project received a welcomed boost as our corporate partner assisted with a donation of sanitary pads. This is geared to assisting senior girls at primary schools. We handed over beautiful branded sling bags to our young girls who are now able to attend lessons without having to worry about sanitary pads.

A surprise phone call from Portugal really made a difference as I was asked to get involved with the handover of 10 000 face masks to our frontline healthcare workers at Livingstone Hospital.

The generous support of in kind donations continued as we were blessed with three pallets of cordial juice from Shoprite Checkers and then towards the end of March a huge donation of 11 pallets of Nolac Juice, equivalent to more than 8000 litres which we handed out recently to our beneficiaries.

My team and I are so blessed with the incredible donations we receive and there is so much we are doing as an organization. We are so privileged to be able to make such a positive impact in our community but we have to give credit to the amazing collaborative efforts and partnerships formed with business which enables us to make a significant difference.

These are some of the activities during the first quarter with lots more planned for 2021. Visit our website www.cchestpe.org.za to find out about our campaigns, events and projects should you wish to get involved and you can also pledge by clicking the donate button on our website. We are excited about our future campaigns, events and projects as we work towards celebrating our 70th anniversary next year. We are planning something big, so watch the press for more details.

We would like to take this opportunity to wish all our partners and beneficiaries a Happy Easter, enjoy the long weekend and May God bless you all!
